

Sample Interview Questions for Selecting a Volunteer

The following interview questions may help you as you select the Vesper Volunteer to work with you.

1. What interests you most about this project?
2. Tell me about the professional experience you have that will be most helpful on this project?
3. What kinds of experience do you have with not-for-profit organizations or churches similar to ours?
4. What questions do you have about the project?
5. What action steps would you take to achieve the objectives we've outlined?
6. How many days of work do you think it will take to complete the project?
7. How much flexibility is there in that estimate?
8. What would you expect us to do as part of this project?
9. What factors will be critical to the success of this project?
10. What will be the greatest challenge in this project?
11. What do you hope that you would gain as a result of working with us on this project?
